> Hi Susan and Deb, I just wanted to pass along what a great job you both did on the briefing today and answering multiple questions from the acting Director on the Tx hornshell listing pkg and CCA/AA. Sorry for the last minute notice on your role in that briefing. I'm very grateful knowing we can count on you both, without hesitation, to step up and conduct a briefing of this nature. You were on point and provided honest and helpful information to best inform Greg. I'm so very appreciative of all your efforts to conserve this species. Thanks again!
